Re: NEA KPEP Package-15 (Karnali Province 33/11 kV Distribution System)

Bidder: Rudrancee-Hulas Joint Venture

We, Jiangxi Huayoo Insulator Co., Ltd. (江西华洋陶瓷制造有限公司), hereby confirm and certify that:

1. We are the manufacturer of all insulator products offered for the above-referenced tender.
2. All three quoted items - Disc Suspension Insulators, Pin Insulators (11 kV), and Stay/Guy Strain Insulators (IS 5300 Type A) - will be manufactured entirely by Jiangxi Huayoo Insulator Co., Ltd. at our factory located at:

Factory Address: No.36 Gaokeng Industrial Park, Anyuan District, Pingxiang, Jiangxi, China

3. No part of the insulator manufacturing (including porcelain body forming, firing, glazing, and hardware assembly) will be subcontracted to any third party.
4. Liling Zhongneng Trading Co., Ltd. (醴陵市中能贸易有限公司) is our authorized trading partner / distributor for this tender, acting on our behalf for the supply of the above products.
5. We have the production capacity and quality systems to meet the quantity requirements of this contract within the specified delivery schedule.
6. Our factory holds ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications from the China Quality Certification Centre (CQC), covering 500kV and below overhead line porcelain insulators.
7. We have a proven supply record with State Grid Corporation of China (57,926 pcs disc suspension for Liaoning, 60,137 pcs line-post for Tibet in 2022) and China Southern Power Grid (Guangxi framework contracts 2020-2021).
8. We will provide full after-sales service, warranty support, and replacement guarantee as per the contract conditions.
