Re: NEA KPEP Package-15 (Karnali Province 33/11 kV Distribution System)

We, Jiangxi Huayoo Insulator Co., Ltd. (江西华洋电瓷制造有限公司), the undersigned manufacturer of the insulators proposed for the above-referenced tender, hereby declare and confirm as follows:

1. All insulators offered in this bid have been designed and manufactured in accordance with the relevant IEC, IS (Indian Standard), and/or ANSI specifications as required by the tender documents.
2. The products have undergone type testing at accredited independent laboratories holding CNAS accreditation under the ilac-MRA framework, ensuring international mutual recognition of test results.
3. Our quality management system is certified to ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 by the China Quality Certification Centre (CQC), which is a member of IAF and IQNet. The certification scope covers 500kV and below overhead line porcelain insulators.
4. All products are designed and manufactured under our direct supervision at our factory in Pingxiang, Jiangxi, China. No subcontracting of the insulator manufacturing process has been or will be undertaken.
5. We confirm that all three product types (Disc Suspension, Pin, and Stay/Guy Strain Insulators) will be manufactured entirely at our factory and are identical to the products that have been type-tested.
6. We undertake to provide any additional tests, documentation, or clarifications as may be required by the Employer during the evaluation and execution of the contract.
7. We warrant that all goods supplied shall be free from defects in design, materials, and workmanship for a period as specified in the contract conditions.
8. Our factory has successfully supplied insulators to State Grid Corporation of China (Liaoning: 57,926 pcs disc suspension; Tibet: 60,137 pcs line-post) and China Southern Power Grid (Guangxi: 10kV line insulators framework contracts 2020-2021), demonstrating proven track record in large-volume supply.
